ROUTE 210 CONSTRUCTION REQUIRES A PERMANENT CLOSURE OF 19th STREET IN SAN BERNARDINO

Route 210 construction requires a permanent closure of 19th Street south of Highland Avenue in San Bernardino. Motorists no longer have access to State Street using 19th Street since the street has been converted into a cul de sac. Concrete barriers and signs have been posted to alert motorists of the closure. Motorists may use California Street and 20th Street as alternate travel routes. See detour map below.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
